Johnson Air Products

Johnson Air Products is one of Portland Oregon's largest and oldest suppliers of commercial exhaust fans, HVAC systems, industrial ventilation systems, and home air conditioning products to HVAC Contractors, Engineers, and Architects. We offer the highest quality HVAC equipment available, with service and prices that are unmatched.

Johnson Air

Johnson Air-Rotation HVAC Systems is the leading manufacturer of industrial heating and cooling systems and warehouse HVAC. Learn More About Us > Who We Are. Founded in 1921, Johnson Air-Rotation Systems set the bar by creating a new technology now known in the industry as Air-Rotation. Don't be fooled by imitators referring to air turnover.

HVAC Equipment | Johnson Controls

Why did we build the largest portfolio of HVAC equipment in the world? So that there's an efficient, reliable solution for virtually any building - vintage or new, large or small, office or residence, hospital, hotel or school - anywhere in the world.
